

Team Involvement in Demonstration

Team Involvement in Demonstration: This document records the active participation and roles of each team member during the project demonstration. The responsibilities are aligned with the ComicCraft project workflow, including AI model integration, FastAPI backend development, frontend development, comic generation, PDF export, and deployment/testing.

Team Coordination Notes:

Date	30 September 2026				
Team ID	SWTID-2026-7446				
Project Name	ComicCraft - AI Comic Story Creator using Gemini Models				
Maximum Marks	1 Mark				

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Team Member 1	AI Model & Story Generation	Gemini Flash / Gemini Pro integration	Explained model selection, comic outline generation, narration and dialogue generation.	Active
2	Team Member 2	Backend Developer	FastAPI routes and input processing	Explained routes.py, form/JSON input handling, API workflow and error handling.	Active
